

November 2023

Ostomy Association of the Houston Area

AFFILIATED SUPPORT GROUP

"We help ourselves by helping others to help themselves."

We are a volunteer-based organization dedicated to providing education, information, support and advocacy for people who have had or will have intestinal or urinary diversions.

P.O. Box 25164
Houston, TX 77265-5164
www.ostomyhouston.org

Ostomy Awareness Day was Celebrated on October 7, 2023

Mary Kinsey, lead OAHA's acknowledgement of Ostomy Awareness Day by hosting an event for ostomates, including nurse screening, vendors and other resources.

Ostomy Awareness Day is held annually on the first Saturday of October. This day coincides with World Ostomy Day, a health observance where the world unites every three years to raise ostomy awareness. World Ostomy Day is sponsored by the International Ostomy Association. UOAA continues to sponsor and celebrate this day in the United States annually by spreading awareness and increasing national visibility of those living with ostomies.

In Memoriam – Terry D. Marriott

The OAHA is extremely sad to have lost one of our most dedicated members and volunteers. Terry Marriott passed away this past month. Terry served in many roles with our organization, including President, Secretary and Treasurer. He also was the keeper of our post office box and our unofficial technology consultant. For our organization's 60th anniversary, we discussed his journey with him:

In 1962, while at college, Terry developed symptoms of what was diagnosed ten years later as Crohn's disease. In September of 1965, he had an ileostomy with complete colectomy at the Mayo Clinic. He experienced quite a few complications in the years after surgery, including having his stoma site moved twice and additional intestinal surgeries to remove fistulas and abscessed areas, leaving very little intestine and a short gut. But nothing slowed Terry down.

He graduated with a PhD in Chemistry and worked as a post doc in mass spectrometry for two years, eventually moving to Houston in September of 1978 to work at Rice University. He travelled extensively for work and pleasure.

Terry told us that through this journey, he learned many things about himself, doctors, the various kinds of inflammatory bowel diseases, other people and himself. We were truly inspired by his undeniable spirit of never giving up or letting his condition or disease control him. Further, Terry unselfishly gave his time and talent to the OAHA so that new ostomates could face their own challenges with perseverance and hope.

We send our heartfelt condolences to Terry's wife, Mary, and the rest of his family. He was one of a kind and we will miss him.

We are a health support group, a non-profit, tax-exempt, organization of volunteers whose purpose is to provide mutual aid and education to persons who have ostomies and to their families. We are a Texas non-profit corporation. Membership fees and donations are tax deductible.

Support Team Pitzer's Pals!

On November 12, 2023, I will be participating in the 2023 Get Your Rear in Gear - Houston. You can make a difference while hanging out with us on **Team Pitzer's Pals**. This year I'm walking in honor of Julie Schultz Schmidt. Julie is the sister of another friend from Iowa State that moved to Texas to teach the same year I did. Julie is fighting this battle TODAY, and I've chosen to walk in her honor this year. I've met so many people that have lost loved ones to colon cancer, been caretakers for loved ones battling it, or survived the disease like me, and once again I'm using this event to give back!

This year marks my TENTH year of being CANCER-FREE again! Diagnosed with stage 3 rectal cancer in 1996 and then again in 2013 with stage 2 colon cancer, I can attest to the importance of education and screening. We can save lives together! Please consider being an advocate with me on Sunday, November 12 as we walk the ballpark at Constellation Field in Sugarland, TX! I would be honored to make this the year that I actually can attend the event in person WITH A TEAM of friends and loved ones by my side!

Let me know if you need help signing up as a teammate and I can help you make it happen!

For registration information, you can visit [HOUSTON RACE PAGE](#). If you can't join us on the day become a virtual racer. You can also visit my Get Your Rear in Gear page at [PITZER'S PALS TEAM PAGE](#) and make a contribution online, or by mail or phone.

Thank you for your consideration and support.

Sincerely,

Laurie Pitzer

SenSura® Mio

Also available
in 1-piece and
2-piece Click

The fit is
the difference
between asking for help
and doing it yourself

SenSura® Mio Convex Flip has a star shaped barrier to provide a secure fit over curved areas, even when bending and stretching.

A curved star-shaped barrier has petals that hug the body with less creasing or folding.

Fit zones in the center of the rim increase flexibility right around the stoma and optimize fit and flexibility for movement.

Neutral-colored, discreet **quiet** pouch is designed to stay unnoticed - even under white clothing.

Donating Ostomy Supplies?

Here are a few options if you would like to donate ostomy supplies. These non-profit organizations are all volunteer run.

Local Community Ostomy Donation Closet 1740 W. 27th St., Suite 234, Houston, Texas, 77008. Open by appointment for donation drop off or pickup Monday through Friday 9:00 a.m. - 3:00 p.m. Please call or text Mary Kinsey at 832-581-5874 to arrange access.

Medical Bridges: they collect medical supplies locally. On their website, click the Get Involved link and then the donate supplies link. It provides you with various options. <https://www.medicalbridges.org/>

Friends of Ostomates USA: provides ostomy supplies and educational resources at no cost to ostomates in need around the world. Their warehouse is located in Louisville, KY. A fun fact: Our very own Cindy Barefield, BSN, RN-BC, CWOCN is President of Friends of Ostomates! Please go to their website for details: <https://www.fowusa.org/>

Kindred Box: is dedicated to improving the lives of people with ostomies and they distribute donated ostomy supplies to support the care of uninsured and underinsured ostomates in America struggling with financial hardship. Go to <https://www.kindredbox.org/> and find out what ostomy products they can accept and to learn about their Postage Program which helps with your shipping expenses. The Kindred Box is located at 4653 Nall Rd., Suite F12, Farmers Branch, TX 75244.

More options can be found on the UOAA's website: <https://www.ostomy.org/donate-ostomy-supplies/>
